Important Information:

All Partners will pay \$9.99/domain year during the first month of domain registration, after which a regular price will be negotiated. Partners do have the option to prepay for domains and receive price discounts as found at <http://www.gkg.net/domain/alliances/partner.html>.

Please indicate which interface option you will be using to register domains:

Click Through Model (This model allows you to link from your website to a specialized registration system. This system requires no programming.) FILL OUT SECTION A.

SuperSRS API (This model allows you to design a custom domain registration system. YOU MUST HAVE PROGRAMMING SKILLS TO QUALIFY FOR THIS PROGRAM) FILL OUT SECTION B.

SECTION A: If you indicated that you will be using the Click Through Model, please fill in the following information:

1) Domain Price

GKG allows Partners using the Click Through Model to set their own price per domain year. GKG will charge customers registering through this system the Partner's established price. If your price is \$15, GKG will assess a fee to recover credit card processing costs. A check will be issued to you each month for the difference between your GKG price and the price you established for your customers.

Please indicate your set price for domain registration per year \$ _____
